The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the replacement of a Green Township Fire Rescue truck in Fiscal Year 2027. The entity to receive funding for this project is the Green Township Volunteer Fire Department located at 8031 IN-9, Greenfield, IN 46140. The funding would be used to replace a 2004 Fire Rescue truck that is aging and will be 23 years old by the time of the grant.

The project is an appropriate use of taxpayer funds because this keeps the volunteer fire department updated with equipment to ensure the community is served with modern equipment.

The project has a federal nexus because the funding provided is for purposes described in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve
Member of Congress
