The Honorable Tom Cole
Chairman
Committee on Appropriations
H-310, the Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Shelbyville Police Radios in Fiscal Year 2027. The entity to receive funding for this project is the City of Shelbyville located at 44 W Washington Street, Shelbyville, IN 46146. The funding would be used to update the current radio communications system.

The project is an appropriate use of taxpayer funds because it will provide officers with access to updated police radios as the current in car and handheld radios are at their end of life. By providing this funding, Shelbyville Police Department will be able to adequately respond to incidents and provide public safety.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve
Member of Congress
