The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Glenwood and Connersville Water Regionalization Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Glenwood located at 217 North Main Street, Glenwood, IN 46133. The funding would be used to purchase and lay approximately six miles of water pipes for drinking water.

The project is an appropriate use of taxpayer funds because approximately 240 people live in Glenwood, Indiana, and these funds will allow them to move from ground water or bottled water to clean treated drinking water from neighboring Connersville, Indiana.

The project has a federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve
Member of Congress
