The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Northwest Shelby Co. RSD Proposed Sewer Project Phase I Project in Fiscal Year 2027. The entity to receive funding for this project is the Northwest Shelby County Regional Sewer District located at 6222 W 800 N, Fountaintown, IN 46130. The funding would be used to fund a new proposed sewer system, consisting of gravity sewer mains for each of the three areas, five lift stations, and a new wastewater treatment plant located just south of the Triton School campus.

The project is an appropriate use of taxpayer funds because the project will provide much needed infrastructure to a rural community and will also resolve numerous clean water issues due to failing septic systems.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve  
Member of Congress
