The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bargersville Country Road 144 Reconstruction Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Bargersville located at 24 North Main Street, Bargersville, IN 46106. The funding would be used to reconstruct the roadway with full depth HMA pavement and widen with HMA on each side of the roadway to include 12 ft. travel lanes and 10 ft. shoulders.

The project is an appropriate use of taxpayer funds because the existing roadway alignment of CR 144 contains multiple deficiencies contributing to vehicular accidents. Additionally, CR 144 does not meet the current clear zone requirements as defined in the Indiana Design Manual and AASHTO Green Book.

The project has a federal nexus because the funding provided is for purposes described in 7 U.S. Code section 2250

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve
Member of Congress
