The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Dublin Water Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Dublin located at 2250 E Cumberland St, Dublin, IN 47335. The funding would be used as financial assistance for the town's upcoming water improvements project, which includes a new water treatment plant for the community.

The project is an appropriate use of taxpayer funds because the town's water treatment plant is on the verge of collapse, due to its location next to a creek which is eroding away the bank and creeping closer to the plant.

The project has a federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve  
Member of Congress
