The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Liberty Bridge Reconstruction project in Fiscal Year 2026. The entity to receive funding for this project is the Indiana Department of Transportation (INDOT) located at 100 N Senate Ave, Indianapolis, IN 46204. The funding would be used to repair and upgrade a deteriorating bridge outside Liberty, Indiana.

The project is an appropriate use of taxpayer funds because this project supports the repair and upgrades to the bridge on Dunlapsville Road to bring it up to safety standards for use by the local community.

The project has a federal nexus because the funding provided is for purposes described in Section 133 of title 23, United States Code, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve
Member of Congress
