The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mt. Comfort Road Regional Underpass in Fiscal Year 2026. The entity to receive funding for this project is the Town of McCordsville located at 6280 W 800 N McCordsville, IN 46055. The funding would be used to engineer and design a dual (4-lane) underpass under the CSX rail line for Mt. Comfort Road.

The corridor is primarily used as a commuter corridor and features some of the fastest growing communities in central Indiana. It is also located in the fastest growing county in the state. This project would relieve significant congestion issues at its at-grade crossing with the CSX dual-rail line.

The project has a federal nexus because the funding provided is for purposes described in Section 22907 of title 49 of the United States code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jefferson Shreve  
Member of Congress
